

Dear Barbara,

I would like to thank you the money you sent for me.

I was very happy when I received it.

I had several changes in my life. I attend another school. I go to a Music School to Cluj. I stay there at the boarding school from Monday to Friday. I play two musical instruments: organ and flute.

The money you sent is very helpful and useful for me, because I spend it on my expenses at the boarding school and recently I have been attending private English classes. When I came to this school I didn't do well at English and I had bad marks. Now I have better marks thank to the private classes.

Give my kindest regards to your family.

Yours sincerely,

Kis Ildikó
