75 The Great Road ~ Bedford MA

Friday May 19th @ 7:00 P.M.

120 Days captures an intimate, inside look at the lives of one family of undocumented immigrants who have been living and working in the United States illegally for over twelve years. An immigration judge grants Miguel 120 days to get his affairs in order before he is returned to Mexico. This film documents Miguel's last days in the USA, as he weighs his options about returning to Mexico alone, or changing his name and disappearing into another U.S. city illegally to keep his family together.

Runtime - 79 min. Open to all. Donations at the door gratefully accepted
