

## Personalized Family Chalice Lighting Words

Last month we suggested creating your own chalice at home. Now if you have a chalice, you might want some personal chalice lighting words!

Here are some fill in the blank writing prompts to get you started, but don't stop there! We would love to see your own words if you care to share, so feel free to post on *Follen Church's RE Family Connections Group* page on Facebook

Fill in the blanks below to create your own chalice lighting words to use at home.

### For Celebration and Gratitude:

We light this chalice

To celebrate \_\_\_\_\_

We are a people of \_\_\_\_\_

Grateful for \_\_\_\_\_

And together we offer thanks and \_\_\_\_\_.

### For Quiet Contemplation:

In the quiet and darkness

We light this flame of \_\_\_\_\_

Symbol of \_\_\_\_\_

And sign of our quest for \_\_\_\_\_

### Spark from The Universe

That connects us to \_\_\_\_\_

This light reminds us to \_\_\_\_\_

As we strive to understand \_\_\_\_\_

### **For Connection and Prayer**

May this be a candle of \_\_\_\_\_

As we hold \_\_\_\_\_ in our hearts

The warmth of our love goes to \_\_\_\_\_

And all are held in the light of love and hope.

### **For Grief and Mourning**

In our time of grief, we light a flame of \_\_\_\_\_.

In our remembering of \_\_\_\_\_, we light a flame of ongoing life.

In this time of sorrow, we light a flame of \_\_\_\_\_.

In our time of difficulty, this flame carries our \_\_\_\_\_.
