

Text-to-Give at Follen

Enter the Follen Text Giving phone number: (781) 285-7171. Save the number in your contacts as "Follen Donations" so that you have it easily available for the next time you donate.

Enter the amount of your donation; for instance, if you are donating \$50.00, you can just enter \$50 or 50. This will default to the Collection Plate. If you want to specify a fund, you can enter, for example, *\$50 pledge* to give to Pledge, or *\$50 minister* to give to Minister's Discretionary Fund.

A text will pop up if you are first time giver that says: *It looks like you are a new giver*. Tap the load preview button to go to the information screen, where you will fill in your information along with your card number.

Your gift defaults to a one time gift. If you wish to make this recurring with no need to continually do a text, touch the words "one time gift, and a drop down menu will let you make your preferred choices.

Click the Donate Now button. Your phone will be registered then, and you will receive a confirmation on your screen. Your receipt will be emailed to you.

The next time you give, you can then pull up Follen donations, type in the amount, and your donation will be made. Your receipt will be emailed to you.

If you have any questions, email Linda Hein at businessmanager@follen.org.
